## JURISDICTION

Federal courts are courts of limited jurisdiction. Under 28 U.S.C. § 1332, a case in which a citizen of one state sues a citizen of another state and the amount of damages is more than \$75,000 is a diversity of citizenship case.

I would like to refile this Lawsuit on the grounds of the evidence I am including in my documents originally the FBI did not have a federal warrant to enter my mom's house to put camera's in my house and wires in my clothing. They are using a team of psychics and special agents to do this to me. While being on this wire I was wrongfully committed. While on this wire they followed me from 2A Oak Rd Circle Pines, MN to 1928 Stevens Ave in Minneapolis, MN 55403 and then to 110 E 18<sup>th</sup> Street Minneapolis, MN 55014. They installed wires and Cameras in all of these residences. They used undercover Special Agents from the FBI who do not reveal their true identity to do this so there is no way of proving who they are. I am asking this lawsuit be switched to a jury trial to subpoena the agents from the FBI who did this. I am also asking the psychics who are on this wire doing this be subpoenaed as well. They have told me repeatedly that they are going to deny this and that is why I am doing this. You say I need to sue the U.S. Government when it is actually this particular agency on this wire. They also claim the CIA is on this wire as well. I would like them subpoenaed as well. They did not have warrants to enter the first two residences and my apartment building. I would also like to subpoena certain people from 1928 Stevens Ave Minneapolis, MN 55403 and 110 East 18<sup>th</sup> Street Apt 411 who allowed the agents without warrants to enter my residences without warrants. I was wrongfully committed at HCMC hospital. I am asking the court for an extension so I can find an attorney to represent me because I believe the FBI is watching me on this wire and contacting every attorney to block me from getting me an attorney. I am also asking for an extension so I can obtain copies of all the reports that have been filed to the DOJ and the CIA for what they are doing to me. You are saying I need to sue the U.S. Government but who do I need to bring this lawsuit against then and serve from the U.S. Government.
